

MASSARELLI'S® TOUCH UP PAINT DIRECTIONS

RETIRED FINISHES

Things You Will Need

- A container of clean water for clean up.
- Two or three soft cloths (cotton preferably).
- A clean dabber.

Getting Started

- Never apply paint when a piece is wet or when piece is below 50°F.
- Work on piece in a dry warm area.
- Wipe all dust-off piece before touching up for a good finish.
- Apply paint sparingly. Repeat process if necessary, for better results.
